

Winthrop Science Festival Registration Form

You are invited to participate in the Winthrop Science Festival this March! The festival will start at **4:30 pm on Friday, March 20th**. Winthrop students are encouraged to share anything related to science: Bring your collection, invention, observation, or experiment.

Project drop-off is the day prior, March 19th, until 7:30 pm.

Parents of students who request tri-fold display boards will be notified once boards are available for pick-up.

While not required, students may choose to demonstrate the scientific method: Ask a question, do research, construct a hypothesis, experiment, analyze, and make a conclusion.

Rules: Projects or displays must be safe, students are required to clean up after themselves, and the projects must relate to science.

If participating, please fill out the form below and return it to student's teacher by **January 16th**.

Student's name: _____
